WE WALK / RUN...

...TOGETHER FOR A CAUSE

Hello - Welcome - Tervetuloa

This is the second time that FIG and its FIG Young Surveyors Network is organising a charity walk/run. After the success of the first edition we want to take this opportunity in Finland, Helsinki again to give back and support professionals who are doing good.

As surveyors we have a prominent role in contributing to the betterment of the world and we are aware of the role we are playing in the world today and tomorrow. So therefore let's walk and run together to contribute and give a fresh and positive outlook to OUR future.

Come and join us!!!
