# WELCOME TO FIG CONGRESS 2022

FIG is excited to invite you to the FIG Congress 2022 11-15 September in Warsaw, Poland – this time it will be a physical gathering with some online elements. At the FIG Congress 2022 we are dedicated to once again being able to gather scientists, experts, policy- and decision-makers, students, and stakeholders from all over the world to join professional discussions and last but not least have attendees wander the exhibition hall.

We are all still learning to navigate in our new reality of both digital and “normal” lifestyle, but the desire to see and hear from colleagues and friends becomes even more powerful when we have been forced to be apart. FIG is determined to bring our global community together - physically and virtually. We have come to terms with our new reality, but we still crave experiences and our desire to connect face-to-face has never been stronger.

## FIG

The International Federation of Surveyors – FIG, is an UN-recognized non-governmental organization supporting the interests of surveyors and the advancement of the profession worldwide, has been organizing

conferences since 1878. For more than a 100-year FIG has organized in-person conferences worldwide, where tens of thousands of professionals have met discussing key challenges of our time within the surveying profession.

## Volunteering for the future

During the FIG Congress 2022, we will bring the overall theme ‘Volunteering for the future – Geospatial excellence for a better living’ at the centre stage.

The conference offers an interesting mix of keynotes and technical sessions and workshops, a trade exhibition and a variety of side events and social functions. The technical programme will consist of carefully designed sessions within the broad field of surveying, including best practice and new research with inspiration and input from the open call for papers and specially designed sessions.

In other words: After attending FIG Congress 2022 you will be: inspired, (re)connected, energized, gained knowledge and feel part of a community.

## This year will be back to normal – Almost!

It is a real honour to host the FIG Congress 2022 in Warsaw, Poland. Originally, the bid for FIG Congress 2022 was going to take place in Cape Town, South Africa, but because of the current pandemic situation, the destination was moved to Warsaw, Poland hosted by the Polish Association of Surveyors, SGP, who took up the challenge to organise this Congress within one year. We are certain that Warsaw will host an event that surely will meet, if not exceed, all the expectations of a memorable and successful Conference.

The world is slowly opening again for international travels, and it is our hope that in September 2022 it will be possible to welcome travellers from most International destinations in Poland. Online elements will be added for those who will still not be able to travel, however main emphasis will be on the actual face-to-face event. The exhibition will therefore take place over three days live in Warsaw, Poland. Although our hope and expectations are to meet in person, we might face a situation with travel restrictions that will make it impossible or difficult for many to travel and which might force us to scale up the online parts.

## What does it mean for our Sponsors?

We view our sponsors as our partners in the successful execution of the FIG Congress 2022 and will work alongside you to provide opportunities to promote your organisation.

## Get the best of both world

At the in-person FIG conference we will once again gather a wide range of customers from all around the globe. The exhibition hall is a timeless event tradition that allows sponsors to create a branded space to engage one-on-one or one-to-many with participants. This year's conference we expect the exhibition hall to be filled with curious participants, who are just as eager as you to network and catch up on the latest commercial news.

Simultaneously, at the virtual part of the conference you will have more opportunities to promote your brand amplifying the reach of your branding outside the physical conference space and thereby reaching the ones at home. As the focus of the FIG Congress 2022 will be on the onsite part, the virtual part for your company will consist of brand exposure e.g., through logos and pre-recorded content. Thus, the least resource-intensive online solution for your company to give you the most resource possible allocated to the physical conference.

...and much more.

With this sponsorship prospectus we promise that the FIG Congress 2022 will offer you extend branding in front of our participants both onsite and online.

**Welcome to the FIG Congress!**

# WHY SPONSOR?

## Personal Contact

Put a face on your brand – the best way to create and maintain relationship with your target customers.

## Get (Re)Connected

FIG Congress will offer a range of networking opportunities, allowing you as sponsor to get closer to passionate and enthusiastic surveyors and geospatial professionals.

## Education

Learn what is happening in the global surveying industry and how you can be a part of it.

## Build on the future

Sponsorship of the Congress does not start and end with the conference itself, but rather involves a broader partnership building for the future.

## Presence

Show your commitment to surveyors and geospatial professionals – support the community that support your business.

## Sales

Promote new services or demonstrate new products and equipment.

# EXHIBITION OPPORTUNITIES

The international trade exhibition at FIG Congress 2022 offers you exposure to the many delegates of the conference and the opportunity to showcase your products and services to a global pool of customers. The exhibition area has been designed to provide the best possible promotional opportunities to participating companies. The exhibition will provide delegates and exhibitors with excellent opportunities to network and will be placed in the beautiful and spacious foyer of the DoubleTree by Hilton Hotel & Conference Centre Warsaw.

## Booth details:

- Basic booth 2m x 2m (option to buy several booths to get more sqm).
- Basic light and power system
- 1 standard table and 2 chairs
- 1 Dustbin
- Walls and fascia

## Including:

Two complimentary exhibitor passes per booth. Exhibitor passes entitles:

- Full access to the exhibition area but not the general programme.
- Access to the Opening Ceremony and Welcome Reception.
- Morning and afternoon refreshment
- Lunch

Additional exhibitor passes can be purchased for 150 EUR.

**2,000 EUR for members of FIG**

# YOUR SPONSORSHIP POSSIBILITIES

FIG Congress 2022 provides a perfect opportunity to increase the awareness of your company or institute. A variety of sponsorship opportunities is available; however, they are selling fast so act soon! The Congress will bring together around 1000-1500 surveying and geospatial professionals from across the globe, thus providing direct access to a diverse cross-section of highly sought industry stakeholders. Sponsorship packages and exhibitor options are tailored to suit your marketing strategies and specific needs.

## Align your company with the global surveying community to:

- Demonstrate thought leadership as one of a select group of industry experts
- Showcase your expertise and products to a unique gathering of surveyors and geospatial experts
- Amplify your messaging and position your brand not only to all onsite participants but also to all participants online.

## A LA CARTE OPTIONS (detailed description)

Below you will find opportunities to enhance the visibility and association of your organisation with the FIG Congress. The options can be used to top up your sponsorship package, or as separate sponsorship opportunity, depending on your marketing needs. Your final contribution to the conference determines your sponsorship level, which in turn provides you with more benefits. Most packages are limited and will be allocated on a first come first served basis.

### PLENARY SESSION – SEAT DROP

Each morning all the delegates will attend the plenary session where globally recognised experts will share their knowledge. Before each plenary session you will get the opportunity to place your flyer/leaflet on the seats of the participants. You as sponsor will provide the promotional material to the Local Organising Committee.

### NEWCOMERS SESSION

First time attendees are invited for an introduction session on the first day. This session is especially for first time FIG conference attendees. Help the newcomers to feel welcome. You as sponsor will provide the promotional material to the FIG Office.

### PROGRAM BOOK ADVERTISEMENT – (HALF) PAGE AD

The Conference Programme will be the most essential publication for all attendees guiding them through the Congress. It includes information on presentations, exhibitions, and other activities. Artwork to be provided by sponsor to the FIG Office.

### CONFERENCE BAG - WRITING PADS AND PEN

What is a pen without a paper! All delegates attending the Congress will receive official writing materials. All material for sponsor pads and pens must be provided by sponsor and approved by FIG Office.

### CONFERENCE BAG - LEAFLET

Insert a leaflet/flyer into all delegate bags. The bags will be given out after registration at the registration desk. Sponsor to provide leaflet/flyer to Local Organizing Committee.

### CONFERENCE BAG - GIFT

Insert a gift to all delegate bags. The bags will be given out after registration at the registration desk. Sponsor to provide gift to Local Organizing Committee.

### LANYARDS / BADGE

Lanyards will be assigned to every delegate together with their badge. All material must be provided by sponsor and approved by FIG Office. Badge sponsor logo will be printed on the badge.

### LUNCH/TEA BREAK SPONSOR

Demonstrate your company's hospitality by sponsoring your nominated lunch break, morning or afternoon tea breaks and will be featured in the programme. Create innovative incentives to attract delegates to your booth, all material must be provided by sponsor to the FIG office.

### SOCIAL PHOTO BOOTH

Sponsor a photo booth for the conference/dinner and create laughter, smiles and fun memories with your brand in focus. The photos will get your brands logo on it and will thereby be perpetuated to the conference memories. Contact the FIG Office for more information.

### STAFF T-SHIRT

What is a conference without staff? Sponsor the staff t-shirts. Our staff will wear conference T-shirts with your logo. Staff T-shirts will be worn by all on-site working staff excluding management staff. T-shirts must be provided by sponsor and approved by FIG Office.

### OTHER IDEAS?

If you have a different idea of how your company would like to stand out, please contact the FIG Office to discuss the possibility. Further, possibilities:

- Bring in a branded ping pong table
- Footprints
- Scavenger hunt to booth
- Host an after party at your booth
- Bring in hula-hooping for attendees taking a small break
- Using an intriguing stair or escalator wrap

## WARSAW, POLAND

With Warsaw at the heart of Poland, and Poland at the heart of Europe, it is common meeting place, not only for political and scientific conferences, but also for business and cultural events. With modern architecture, friendly infrastructure, and creative inhabitants – here lies the beating heart of business. But behind the bustle of the business world, you can feel the rhythm of the city, try the many and varied tastes of the city's restaurants, stroll along the banks of Vistula or simply get lost in the backstreets and discover something fascinating.

During your stay in Warsaw, try to find a little time to visit some of the city's excellent museums and galleries. Stop by the Royal Castle, the Museum of Warsaw, or visit another former royal residence – the Royal Łazienki Museum – located in the most beautiful park in the city. Warsaw is a green and refreshing destination with its 346 leafy squares and 96 parks covering a quarter of the city.

# ORGANISERS

**FIG** is the premier international organization representing the interests of surveyors worldwide. It is a federation of the national member associations and covers the whole range of professional fields within the global surveying, geomatics, geodesy and geo-information community. It provides an international forum for discussion and development aiming to promote professional practice and standards.

FIG was founded on July 18, 1878 in Paris by delegates from seven national associations - Belgium, France, Germany, Great Britain, Italy, Spain and Switzerland - and was known as the Fédération Internationale des Géomètres. This has become anglicized to the International Federation of Surveyors. It is an UN-recognized non-government organization (NGO), representing more than 120 countries throughout the world, and its aim is to ensure that the disciplines of surveying and all who practise them meet the needs of the markets and communities that they serve.

## STOWARZYSZENIE GEODETÓW POLSKICH - ASSOCIATION OF POLISH SURVEYORS

The first surveyor's organization was established at the Polish territory in 1916 under the name "The Union of Surveyors". The name of association was transformed to the "Union of Polish Surveying Associations" (1925), "Union of Licensed Surveyors" (1926), "Surveyor's Union of Republic of Poland" (1945) and "Association of Polish Surveyors", SGP 1953. Professional Organization of Polish Surveyors joined International Federation of Surveyors in 1926. Polish surveyors hosted the FIG Permanent Committee Meetings three times in 1932 in Warsaw, in 1959 in Kraków and in 1985 in Katowice. Association of Polish Surveyors organized under FIG frames "The 1 st International Cadastral Congress" in 1998 in Warsaw. Polish colleagues chaired FIG Technical Commissions.

Association of Polish Surveyors, SGP, acts as a voluntary organization of individuals being professional surveyors due to the diploma certifying education in land surveying. Legal basis of SGP results from Polish Parliament Law on Associations.
