

# **Regional Capacity Development Network**

Dr Diane Dumashie FRICS  
FIG Vice President

FIG Working Week, Sofia, Bulgaria  
17<sup>th</sup>- 21<sup>st</sup> May 2015

## **Purpose**

*Ensuring the Rapid Response to Change  
Ensuring the Surveyors of Tomorrow*

How:

- A Global Network
- Operationalised on a Regional basis

Regional Capacity Development Network

## Overview

- **Why:** Purpose
- **What:** Response to Change
- **How:** Ensure the Surveyor of Tomorrow

## WHY?

### Purpose:

- **FIG :** To support international collaboration for the progress of surveying in all fields and applications
- **Member Associations:** to work collectively in a Region to develop the needed capacity of their members, a responsibility to engage

## What- Response to Change

- Influential **Communication** to global donor organisations, governments
- Purposefully **Collaborating** with our peers
- Building **Connectivity** to ensure that skills are developed that will reach out to all stakeholder's community networks in Countries, Regions and Globally

## Rapid Response to Change

Build our **Capacity** with  
**Agility, & Relevance**  
within our Region(s)

And

- **Societal** impact
- Agents of Change,  
Sustainability & Resilience

## Why - World Regions

Evidence based: e.g. SIDS in 2010 & 2014

- Regional Activity becomes an **identifiable entity in the minds of public** and civic institutions and can more clearly be engaged
- Delivery is **high profile activity for Member Associations** that contributes to the FIG corporate brand by maintaining meaningful links into strategic donor partner's work activities and their associated mandates
- ATF concept can readily be seen as a possible **template and adopted** as necessary by Land professional's groupings in other World Regions.

Regional Capacity Development Network

## Not One Size Fits All

### Member Associations Purpose:

- To work collectively in a Region to develop the needed capacity of their members
- Each region to come up with its own needs/ relevance and contribution

*The Regions- How*

Regional Capacity Development Network

## An Emerging Network

- Africa Task Force Purpose
  - Social responsibility to contribute to the MDG's
  - Surveyors as Change Agents
- Task Force Focus(2009 – 2014)
  - Build capacity, to best contribute to meet global challenges
- Next step is to evolve.....

 Regional Capacity Development Network

## RCD Network: Africa

“By 2030  
Africa Land **Professionals** will

- **Provide** global thought leadership, and
- **Promote** professional leadership qualities,
  - Amongst its members within their Associations”

 Regional Capacity Development Network

## Ensuring the Surveyor of Tomorrow

To reach out across the generations Member Associations have to:

- Consolidate what has been achieved,
- Continue momentum, and
- Engage at all levels of societal institutions

**People, Partnerships  
& Places**

Regional Capacity Development Network

## How – People & Partnerships

- **Principles** of Leadership, Diversity & inclusion in stakeholder meetings and
- **Support** from the existing network and new members, FIG office and Partners
- **Partnerships:** YSN, Federation of French Speaking Surveyors, FIG Commissions, Corporate Members, and Member associations....**our bedrock for implementation and operationalisation**

Regional Capacity Development Network

## How- Our Place

“Professionals will need to quickly re-think roles and responsibilities, in the dynamic 21<sup>st</sup> Century landscape “

Robin McLaren January 2015

### Global Landscape:

- 2015/16: Futures, Youth and Diversity in an equitable economy,
- 2016/17 Good Land Governance; alliance with VGGTs & SDGs (Land indicators)
- 2017/18 Economics and Finance (Potential); AU Large Scale Land Based Investments.

## Long Term Action Plan

RCD Network success looks like:

- Resilient Network continues to function.
- Clear leadership direction for the future
- Diversity in annual meetings
- Capacity development for benefit of society and members

## Roundtable Sofia 2015

Engagement: Open to all...

- Deliberate: The Direction of our Journey
- This requires Agreeing:  
Leadership, Working Themes,  
Venues, opportunities identified, our  
capacity & resources to deliver
