Coms 9 – Vision - 4 Key Goals

1. Work with all commissions to ensure Valuation contributes to their success by providing relevant evidential benchmarking
2. Ensure valuation remains relevant through the 4th Industrial Revolution
3. Continue to work on defining ‘Social Value’
4. Provide support for changing face of Valuation Education

1 Work with all commissions to ensure Valuation contributes to their success by providing relevant evidential benchmarking

Engage with all FIG Commissions to understand how valuation can:

- Assist in project identification
- Provide benchmarks for project monitoring and delivery
- Evidence outcomes
- Connectivity with Comms 7, 8, 9 – a joint event?

2 Ensure valuation remains relevant through the 4th Industrial Revolution

Provide thought leadership and practical tools for FIG members to understand the opportunities the 4th Industrial Revolution provides including:

- Transparency
- Blockchain
- Predicted Values
- Data management
- Public safeguards – Regulatory requirements
